WISCONSIN HEAD COACH LUKE FICKELL

Wisconsin football head coach Luke Fickell returns for his second season at the helm of the Badger program in 2024. Named the program's head coach on Nov. 27, 2022, Fickell steered the Badgers to a 7-5 regular season record in 2023 before securing a spot in the ReliaQuest Bowl to battle No. 13 LSU.

Wisconsin's trip to Tampa secured UW's streak of 22 consecutive winning seasons, and trips to bowl games. Only Georgia (26) and Oklahoma (24) hold longer active bowl streaks. For Fickell, the 7-6 overall record in 2023 marked his sixth-straight winning season as a head coach. Since 2018, Fickell has posted a 61-15 overall record, good for the fifth-most wins among active FBS head coaches.

During Fickell's first season at the helm of the UW program, the Badgers were hampered by injuries to key playmakers, including quarterback Tanner Mordecai and running backs Braelon Allen and Chez Melli. Still, the Badgers rallied down the stretch to win November rivalry games. UW pulled off a comeback victory in overtime versus Nebraska before traveling to Minneapolis and stifling the Gophers to claim Paul Bunyan's Axe.

Arriving in Madison prior to the Guaranteed Rate Bowl victory to cap the 2022 season, Fickell ushered in a new era of Badger football after elevating the University of Cincinnati football program to new heights during his six seasons as head coach.

In just six years at Cincinnati, Fickell had emerged as one of the nation's top coaches and positioned UC football as an elite program capable of consistently contending for championships. Fickell compiled a 57-18 record over six years with UC. Prior to the Bearcats' three 11-win campaigns, the program had only accomplished the feat twice (2008 and 2009). Fickell earned his 54th win in 2022, cementing himself as the winningest coach in Cincinnati history. After going 4-8 in year one at Cincinnati, Fickell led the program to a 53-10 mark over the last five years.

By leading Cincinnati to new heights and its first-ever appearance in the College Football Playoff in 2021, Fickell collected eight national coaching honors, including the The Home Depot National Coach of the Year, Paul "Bear" Bryant Coach of the Year, the Stallings Award, the Eddie Robinson Award and the Dodd Trophy, as well as accolades from the AFCA, Walter Camp Foundation and Sporting News.

The Bearcats finished as the nation's only undefeated team in the regular season, earning the No. 4 seed in the College Football Playoff and capturing a spot in the CFP Semifinals at the 86th Goodyear Cotton Bowl Classic in Arlington, Texas.

Fickell's UC squad also secured a No. 2 ranking early in the fall in the Associated Press Poll – its highest ranking in school history. Cincinnati defeated No. 9 Notre Dame, 24-13, in South Bend, Ind., for its first-ever road victory over a Top 10 team. The Bearcats' capped the season by defeating No. 16 Houston, 35-20, for their second consecutive AAC Championship title.

Since beginning his stint in Cincinnati in 2017, Fickell watched 16 Bearcats earn a selection in the NFL draft, including a school-record nine draft picks in 2022, and captured AAC Coach of the Year honors three times (2018, 2020, 2021).

Off the field, during his time at Cincinnati, the Bearcats' four-year student-athletes posted a 100% graduation rate.

With his arrival in Madison, Fickell returns to the Big Ten after an illustrious playing and coaching career at Ohio State. No stranger to championship-level football, Fickell was a part of nine Big Ten Conference titles (seven as a coach, two as a player), two national championship squads and 15 postseason games at Ohio State, including two College Football Playoff appearances. He served as co-defensive coordinator and linebackers coach from 2005-2016.

From 2005-2016, Fickell-coached defenses at Ohio State ranked among the NCAA FBS Top-40 in yards-per-play allowed, averaging a ranking of No. 17 and earning its highest rank of No. 3 in 2016.

Fickell gained head coaching experience in 2011, taking over the reins in Columbus for one season amid difficult circumstances across the program. He led the Buckeyes to a 6-6 regular season record and a berth in the Gator Bowl.

He returned to his role as defensive coordinator and linebackers coach in 2012. Over the next five seasons, Fickell's defensive units were a major reason the Buckeyes went 61-5 and won the 2014 College Football Playoff National Championship.

Fickell's coaching career began at Ohio State. After spending a year on the injured reserve list with the New Orleans Saints, he was hired in 1999 as a graduate assistant at OSU by his college coach, John Cooper.

A native of Columbus, Ohio, Fickell played for the Buckeyes from 1992-96, redshirting the first year and then starting the next four seasons at nose guard. He started a then school-record 50 consecutive games between 1993 and 1996.

He graduated from Ohio State in 1997 with a degree in exercise science. Fickell and his wife, Amy, have six children: Landon, Luca, twin sons, Aydon and Ashton, and twin sons, Laykon and Lucian.

CAMP RANDALL

WISCONSIN

CAMP RANDALL STADIUM

One of college football's finest facilities, Camp Randall Stadium just keeps getting better and better with age. Originally opened in 1917, the venerable venue celebrated its centennial in 2017.

What now stands as the oldest stadium in the Big Ten, Camp Randall was originally used as a Civil War training site. This hallowed ground has seen many upgrades since officially becoming the home of the Badgers in 1895.

During the Civil War, nearly 70,000 soldiers trained at Camp Randall, which also included a hospital and a prison for Confederate soldiers on its grounds. Named for Alexander Randall,

the state of Wisconsin's first wartime governor, the Camp Randall land was returned to state fair property after peace was restored nationally. The fair later moved to Milwaukee, and Wisconsin's Civil War veterans urged the legislature to purchase the land. In 1893, the state presented the site to the university as a memorial athletic field.

Since then, Camp Randall Stadium has grown from a small venue with wooden bleachers to one of the largest stadiums in the Big Ten.

Prior to the 2005 season, Camp Randall Stadium underwent a \$109 million renovation that included the construction of suites

“There are plenty of rowdy stadiums in college football... but perhaps no stadium rocks more than Wisconsin’s Camp Randall.”

and club seats, new video scoreboards, offices, increased seating capacity and better fan amenities like concession areas, restrooms and improved traffic flow. Prior to the 2012 season, Camp Randall added new FieldTurf and LED ribbon boards on both the east and west facades, as well as in the southeast and southwest corners above the tunnel entrances. Wisconsin’s storied football history is now commemorated on the east fascia.

The latest improvements to Camp Randall were added prior to the start of the 2022 season, with the \$77 million “CR Future Project” encompassing the demolition of bleacher seating in the stadium’s south end and the construction of an all new complex of premium seating areas and club spaces in its place.

Prior to the 2024 season, heating coils were installed under a new FieldTurf surface to ensure the field’s high-quality conditions late into the season. The north videoboard was also upgraded, creating a fully digital display that will enhance the game day experience for Badger fans.

The modern additions have not detracted from Camp Randall’s charm but rather the stadium’s character has been enhanced greatly by the improvements, ensuring that future generations of Badgers fans will have a first-rate facility at which to watch Wisconsin play on Saturdays.

WISCONSIN FOOTBALL PROGRAM HISTORY

Now in its 136th season, the Wisconsin football program is one of the most storied in the country. A charter member of the Big Ten Conference, the Badgers have won 14 Big Ten championships and played in 35 bowl games while producing 32 consensus All-Americans, 16 College Football Hall of Famers and two Heisman Trophy winners.

Some of the legendary players to call Madison home have included 1954 Heisman Trophy winner Alan Ameche, 1999 Heisman Trophy winner Ron Dayne, 2014 Heisman Trophy runner-up Melvin Gordon, Pro Football Hall of Famer Elroy "Crazylegs" Hirsch, College Football Hall of Famer Tim Krumrie, "The Kangaroo Kicker" Pat O'Dea, Outland Trophy winner and Pro Football Hall of Famer Joe Thomas, five-time NFL Pro Bowler Troy Vincent, three-time NFL Defensive Player of the Year J.J. Watt and Super Bowl champion quarterback Russell Wilson.

Now in its 108th season, Camp Randall Stadium is one of the most iconic venues in college football. The fifth-oldest on-campus stadium in the country, Camp Randall was built on the site of a Civil War training ground. Today it has a capacity of more than 75,000 and is home to one of college football's greatest traditions, "Jump Around."

UW's first bowl appearance came in the 1953 Rose Bowl when the Badgers fell to fifth-ranked USC, 7-0. Nine years later Wisconsin and USC hooked up again for one of the most memorable Rose Bowls in history. In a matchup of the top two teams in the country, the Badgers scored 23 points in the fourth quarter, staging a miraculous comeback to nearly knock off the No. 1 team in the land. USC prevailed, 42-37, and the 79 combined points were a Rose Bowl record.

Wisconsin's first bowl victory came in the 1982 Independence Bowl, beating Kansas State 14-3. That would be UW's lone win in a bowl game until Barry Alvarez was hired to resurrect the football program on Jan. 2, 1990.

When Alvarez was introduced as head coach the Badgers had won just eight games in the previous four seasons. In Alvarez's fourth year on the job, UW shocked the country by going 10-1-1, winning the Big Ten title and defeating UCLA for Wisconsin's first Rose Bowl championship. That began a run of unprecedented success on the gridiron for UW.

In the 30 seasons since that magical run, Wisconsin has appeared in 28 bowl games, including nine appearances in New Year's Six games. The Badgers are currently riding a 22-year bowl streak which is the longest active streak in the Big Ten and third-longest streak in the country. Wisconsin has

won eight of its last 10 bowl games, with those wins coming against Auburn (2015 Outback Bowl), USC (2015 Holiday Bowl), Western Michigan (2017 Cotton Bowl), Miami (2017 Orange Bowl and 2018 Pinstripe Bowl), Wake Forest (2020 Duke's Mayo Bowl), Arizona State (2021 Las Vegas Bowl) and Oklahoma State (2022 Guaranteed Rate Bowl).

Wisconsin wins with a level of consistency rivaled by few programs. Over the past 15 seasons, only seven Power Five teams have won more games than the Badgers. UW has totaled 22 straight winning seasons since 2002, which is the longest streak in Power 5 football. Since 2010, the Badgers have won 76 games on their home turf at Camp Randall Stadium. That's the fourth-most wins at home of any current Big Ten school and the eighth-most of any program in the nation.

Among Big Ten teams since 2010, only Ohio State has more Big Ten victories than Wisconsin's 84. UW has made six appearances in the Big Ten championship game, tied for the most of any team in the conference since the game was initiated in 2011, winning the first two iterations. With the Big Ten entering a new era in 2024, Wisconsin will continue to compete against a crop of the best football programs in the country.

Individual success has followed team success with 23 different players earning first-team All-America honors since 2010. A total of 33 Badgers have been drafted by NFL teams in the last 10 years.

Wisconsin is traditionally known for its strong offensive line play and its dynamic running backs. With running back Jonathan Taylor winning back-to-back in 2018 and 2019, Badgers have won four of the last 12 Doak Walker Awards, given to the top running back in the country. Adding in Ron Dayne's 1999 honor, UW's five Doak Walker Awards are easily the most of any school in the country.

In the trenches, 12 different Wisconsin offensive linemen have earned first-team All-America honors over the last 13 seasons. That includes four starters along the 2018 starting O-line, guards Beau Benzshawel and Michael Deiter, tackle David Edwards and sophomore center Tyler Biadasz.

UW's success extends to the NFL, as 31 Badgers have been taken in the first round of the draft and there have been multiple former Badgers in the Pro Bowl in each of the last 12 seasons. Former Badgers have played in the Super Bowl in 14 of the last 15 seasons and 15 different Badgers have earned Super Bowl rings since 2010.

THE UNIVERSITY OF WISCONSIN

The University of Wisconsin is a world-class university, nationally and internationally recognized for its academic excellence, incredible students, inspiring faculty, exceptional value and an amazing campus and community.

On a single campus, students can find a complete spectrum of liberal arts studies, professional programs and student activities. As one of the nation's first land-grant universities, Wisconsin maintains a strong research emphasis in agricultural and life sciences. Award-winning research spanning the academic disciplines, however, has earned Wisconsin a place among the world's elite institutions of higher education.

Students can also take advantage of opportunities to study abroad, participate in honors programs, complete an internship, conduct hands-on research and take service-learning courses.

One of the most picturesque college campuses in the country, Wisconsin sits along the shore of beautiful Lake Mendota. The city of Madison and the university were designed to be linked, signifying the interrelated nature of academic and political life at Wisconsin.

Growing with the times to meet changing needs in education and research has kept the university great. With an eye to the future, the university continues to change, guaranteeing a community and environment where true learning can take place.

ELROY HIRSCH

Elroy Hirsch played only one season (1942) at UW, but he was one of the most beloved sports figures in school history. Hirsch, nicknamed "Crazylegs," rushed for 786 yards for Wisconsin's 8-1-1 team in 1942. He starred for nine years with the L.A. Rams and later served as UW's Director of Athletics (1969-87).

83

ALLEN SHAFER

The memory of former quarterback Allan Shafer is continued with the "Living Memorial" Scholarship that is given in his name. Shafer was fatally injured during the 1944 Wisconsin-Iowa game. Shafer is one of two Badgers (Jay Seiler is the other) to die from a football-related injury.

80

DAVE SCHREINER

Dave Schreiner, the two-time All-America end, was named Western Conference Player of the Year in 1942. Schreiner lettered three years at the UW as an end, both on offense and defense. He is a member of the College Football Hall of Fame and UW Athletic Hall of Fame. He was voted to the UW's all-time team in 1969.

35

ALAN AMECHE

Alan Ameche, the 1954 Heisman Trophy winner, was a three-time All-American and ended his career as the NCAA's all-time rushing leader. He led the Badgers to the 1953 Rose Bowl and rushed for 133 yards in that game. The four-time NFL Pro Bowl pick was inducted into the College Hall of Fame in 1975.

88

PAT RICHTER

Pat Richter, Wisconsin's last nine-time letterwinner, was a two-time All-America end who led the Badgers to the 1962 Big Ten title and starred in the famed 1963 Rose Bowl. Richter went on to play in the NFL for the Washington Redskins and later, as UW Director of Athletics, led the Badgers through a revival in the 1990s. He is a member of the College Football Hall of Fame, the CoSIDA Academic All-America Hall of Fame and is a recipient of the NCAA Silver Anniversary Award.

33

RON DAYNE

In 2007 Wisconsin officially retired the number of one of college football's most dominant running backs. Ron Dayne (1996-99), the NCAA's all-time leading rusher, totaled 6,397 yards (excluding bowl games) in four seasons at Wisconsin. He won the 1999 Heisman Trophy and was a member of 1999 and 2000 Rose Bowl championship teams.

Alec Ingold

After signing with the Los Vegas Raiders as an undrafted free agent in 2019, Ingold has gone on to carve out an impactful NFL career both on and off of the field. Signed by the Miami Dolphins before the 2022 season, Ingold solidified himself as a key part of the Dolphins' dynamic offense. Ingold was named to his first Pro Bowl in 2023 and was also the team's Walter Payton Man of the Year Award nominee for his work in the Miami community. Through his foundation, created in 2022, Ingold helps local youth through mentorship opportunities and foster care support.
